

Email Encryption, Dr. Kovacs  
3rd floor Maple Leaf Medical Clinic

### **EMAIL ENCRYPTION**

Emails with content of highly confidential personal medical issues or questions must be encrypted.

We have our IT person available on some Saturdays to assist with setting up encryption on your device.

Encryption only works with Desktops and Laptops (such as MacBooks, Surface, etc.) but does **NOT WORK** on cell phone or tablets.

Please contact the office if you wish to arrange.
